OUR UNTOLD STORY....

Our team has consistently operated behind the scenes, diligently contributing to the success of numerous groups. It is now our moment to step forward and establish an unparalleled position in the domestic market as a foremost manufacturer and supplier of high-quality products.

We share our expertise in:

- ✦ Decorative customized lighting
 - ✦ Architectural lighting and
 - ✦ Fabrication.
 - ✦ Hand Woven Carpet

For the last two years, **THE ONE LIGHTING** has been manufacturing a wide range of lighting & and fabrication products & and has emerged as an indubitable winner due to our quality of products with exotic design & and exquisite craftsmanship.

We, **THE ONE LIGHTING** manufacture as per the buyer's Specification.

QUALITY

Our dedication to quality stands as the key factor driving our continuous advancement in this industry. Each brass component undergoes safeguarding through a distinctive, transparent coating known as Electrophoretic Lacquer, ensuring enduring beauty with minimal maintenance requirements. Our manufacturing processes encompass casting, gravity casting, and sheet pressing, all tailored to meet buyer specifications. The resulting products are meticulously finished in Chrome, Satin Chrome, Black Nickel, and Antique, providing a high-quality aesthetic suitable for contemporary preferences and requiring minimal upkeep.

We possess a team of experts which maintains a strict vigil on the manufacturing process.

Attributing the success to our team of exceptionally skilled craftsmen, we excel in producing high-quality products by leveraging the traditional handicraft art of India **“brass & wood”**
